

BESTO COMFORT FIT 165N

TAILORED DESIGN - 3D NECK

A newly designed inflatable lifejacket with the highest standards in terms of comfort. The comfort is achieved by the ergonomic design and a lightweight flexible soft cover. The special back panel and adjustable rear strap, makes sure that the collar is held in the neck and creates an optimum weight / pressure distribution on the body for maximum comfort. This makes the lifejacket very comfortable to wear, even when worn for longer periods.

Safety:

- Specially designed asymmetrical lung which quickly turns in the water
- High freeboard
- Maximum chin and head support
- 165 Newton buoyancy
- ISO 12402-3

Size/type	Adult 40+ kg
Buoyancy	Inflatable 165N
System	Halkey Roberts V90000
CO2 Cylinder	31-33gr CO2

Standard equipped with
